School Supplies

PLEASE LABEL ALL PERSONAL ITEMS
(To support the school use www.loveablelabels.com)

Checklist for First Day:

- Extra clothing
- Lunch
- Coats, hats, etc. (as appropriate for weather)
- Swimsuit (optional for hot days)
- Any necessary medications (with prescription & medication form)
- Supplies (see below)

Personal Supplies: We would like for children to have their own personal journal – preferably unlined, decorated if they would like, and clearly marked with their name. In addition, Elementary students should have their own personal “investigations” three-ring binder, again clearly marked and/or decorated. We also recommend that Elementary students have a backpack to transport items to and from school, and for field-trips. Other than these items, we do not require any other personal supplies. Instead, please contribute to our common supplies (below).

Common Supply List: The following is a list of items that your child will use throughout the year, but will be kept in various shared spaces throughout the school. It is requested (but not required) that you bring some of the following items to contribute:

- Ball Point Pens
- Pencils (#2)
- Erasers (large pink ones are best)
- Folders
- Glue sticks
- Scissors
- Colored pencils
- Crayons
- Water-based markers
- Water color paints
- 4-oz. bottles of white glue
- Construction Paper
- Wide-ruled Notebook Paper
- Other plain paper
- A ruler with English and metric measurements
- Kleenex
- Wipes
- Craft supplies: pipe cleaners, cotton balls, google-eyes, ribbon, yarn, string, glitter, etc.
- Natural materials: pine cones, seeds, small sticks, bark, etc.
- Anything that can be used as an open-ended material! We love to get unusual materials, as opposed to just the typical school supplies!

If you are able to drop supplies off during the summer or prior to the start of the year, that is much appreciated!!
