

Patchwork Summer Play Dates and/or Gardening Enrollment Form

This is a fun summer socialization option for the Patchwork Community, with an additional opportunity this year to participate in caring for and learning about our Urban Farm! In order to provide continuity for the children (and ourselves), we hope that everyone will find a way to be involved in the Patchwork community over the summer, either through one of the programs below, or just by organizing your own gatherings. New, old, and returning families are all welcome!

Play Dates: The school will be open and available to Patchwork students (and siblings) this summer for play dates on Wednesdays and Fridays from 10am to 1pm. All children must be accompanied by a parent (see terms of agreement for more details). There is no obligation to help with gardening, which will be occurring at the same time, so we ask that you not take any of the produce as it will go to the families that are signed up to help maintain the garden. The fee for this is \$50 per family for the entire summer – you may come as few or as many times as you like.

Community Garden: Some of the gardening will occur on the same days at the Play Dates, on Wednesday and Friday mornings from 10am-1pm. There will be an additional Sunday gardening day, also from 10am-1pm. All children must be accompanied by a parent (see terms of agreement for more details). We ask that you commit to attending 6 or more gardening days during the summer (this is approximately two per month). You will receive information from our Garden Coordinator regarding signing up for days. You will also be able to take home a portion of the produce as it is harvested. The fee for this is \$50 for the entire summer. If you sign up for the Gardening option, you are also automatically enrolled in the Play Date option and can come to play on any Wednesdays or Fridays, even if you aren't signed up to garden that day.

Email Only: If you are travelling a lot, or have other camps or work this summer you may not be able to sign up for one of the above options, but we can still add your email address to the patchworkCommunity email list (if we haven't already). This way you can hear about, and suggest, your own Patchwork gatherings and events! Just check "Email Only" below and provide your email address.

Please **return this form and the fee by May 20th, 2011** if you would like to participate.
